FCT Bread Market Report, 2015

FOOD BUSINESS

TABLE OF CONTENT

1. Market Definition

Report Focus

Product Varieties

Market Trends

Market Position

2. Market Size

The Entire FCT Market

By District

Market Share by Product Variety

3. Industry Overview

Recent History

Number of Companies

Employment

Operator Characteristics

Distribution

Regulatory Environment

4. Competitor landscape

The Market Place

Market Leaders

5. SWOT Analysis

The Total FCT market

Strengths

Weaknesses

Opportunities

Threats

The Different Bread Product Categories

Strengths

Weaknesses

Opportunities

Threats

6. Buying & Usage Pattern

Penetration

Household Usage

Socio-Demographic Analysis of Usage

Household Purchasing Patterns

Retailer Purchasing Patterns

7. Industry Outlook & Forecast

Future Trends

Demand Forecasts 2015 to 2020 (5-year)

8. Industry Developments

Government Intervention

9. The Nigerian and Global Market Place

Technological advancements Innovation in ingredients

10. Investment and Start –up

Entry and Start-up Requirements

Estimated Investment Start-up Cost

Revenue Analysis

Projected Revenue over Five Years

11. Industry/trade Association in the FCT

12. Company Profiles of the Leading Bakeries

13. Useful Contacts

- Bakers Association
- NAFDAC
- Wheat Flour Suppliers
- Cassava Flour Suppliers
- Ingredients Suppliers
- Financial Service Providers
- Bakery Machinery Suppliers
